Mission: Big Picture

“The Character(s) of Christ(mas)”

“The year of our Lord – 2017” – God:

1. wants to show us from His Word how we are to live
2. wants us to carry the message of his kingdom to those around us so that lives might be changed, and
3. wants us to do that in a deep relationship with Him, lived out in deeper relationships with one another.

2 Peter 1:3-13

A vector is a mathematical concept that includes both

“_____ and _____.”

Ask God what He would have you do... then do that!
