When the apostle's returned...

John the Baptist (Matthew)

Bethsaida – Herod Philip

Boat

Crowds followed

Jesus "welcomed, spoke of kingdom, cured"

5000 men

Desolate place

Send them away!

"They don't need to go away. You give them something to eat!"

Luke 7:22 blind see, lame walk, skin diseases are healed, deaf hear, dead are raised and "the poor have the good news preached to them."
– and then He sent the apostles to do it... AND THEY DID!

Old Testament examples:

1 Kings 17 – Elijah – widow of Zarephath

2 Kings 4 – Elisha – widow of prophet with nothing but a jar of oil

2 Kings 4 – Elisha – 20 barley loaves to feed 100 men...

You give them something to eat!

200 Denarii! For everyone to get a little!

What do you have? Go look.

Five loaves and two fish – unless we go and buy...

Do the MATH!

5000 men plus women and children – assume 10,000

Groups of 50 – that's _____ groups!

"He kept giving it to the disciples to set before the crowd."

If disciples go to groups individually, each makes nearly ____ trips!!!

Don't waste anything... 12 baskets of pieces left over!!!

Where is Jesus stretching your faith?

What has He said to you that your response has been "not unless..."

You've got this!
