

*Galatians:*  
**Free to Serve One Another**

Pastor Scott Gillette

November 5, 2017

The True Gospel	<i>is that we are</i>
Justified by Faith	<i>and</i>
Adopted as Sons.	<i>We are</i>
Free to Serve One Another	<i>and instructed to</i>
Walk in the Spirit	<i>as a new creation!</i>

*Kitchen Table Conversation?*

**Two Covenants**

<u>Ishmael/Hagar</u>	<u>Isaac/Sarah</u>
Slave	Free woman
Flesh	Promise
Mount Sinai	
Slavery	Free
Present Jerusalem	Jerusalem Above

*Have you been “justified” and “adopted”?*  
*Have you truly “thrown out” the covenant of law (legalism)*  
*or does it still creep into your thinking?*

**Legalism** – is a false gospel!

Love is the motivation, not law.

*Is your faith in Christ?*  
*Why do you serve others?*

*Who or what prevents you from “obeying the truth”?*

**Libertinism** is a false gospel!

*Do you see “using this freedom as an opportunity for the flesh” in the people around you? What’s that look like?*  
*Do you recognize it in yourself?*  
*Do you sometimes excuse your sin?*

“Serve one another through love.  
For the entire law is fulfilled in one statement:  
**LOVE YOUR NEIGHBOR AS YOURSELF.”**

*What does it look like to “serve one another through love”?*
